

# From Cash to Digital Savings Groups

Reflections from a pilot in Tanzania

Can digital savings groups be a pathway to digital confidence for women?

## Cash Saving Groups: The Problems

1. Burdensome Book-keeping

2. Limited Visibility into Group & Individual Finances

3. Long Meeting Times

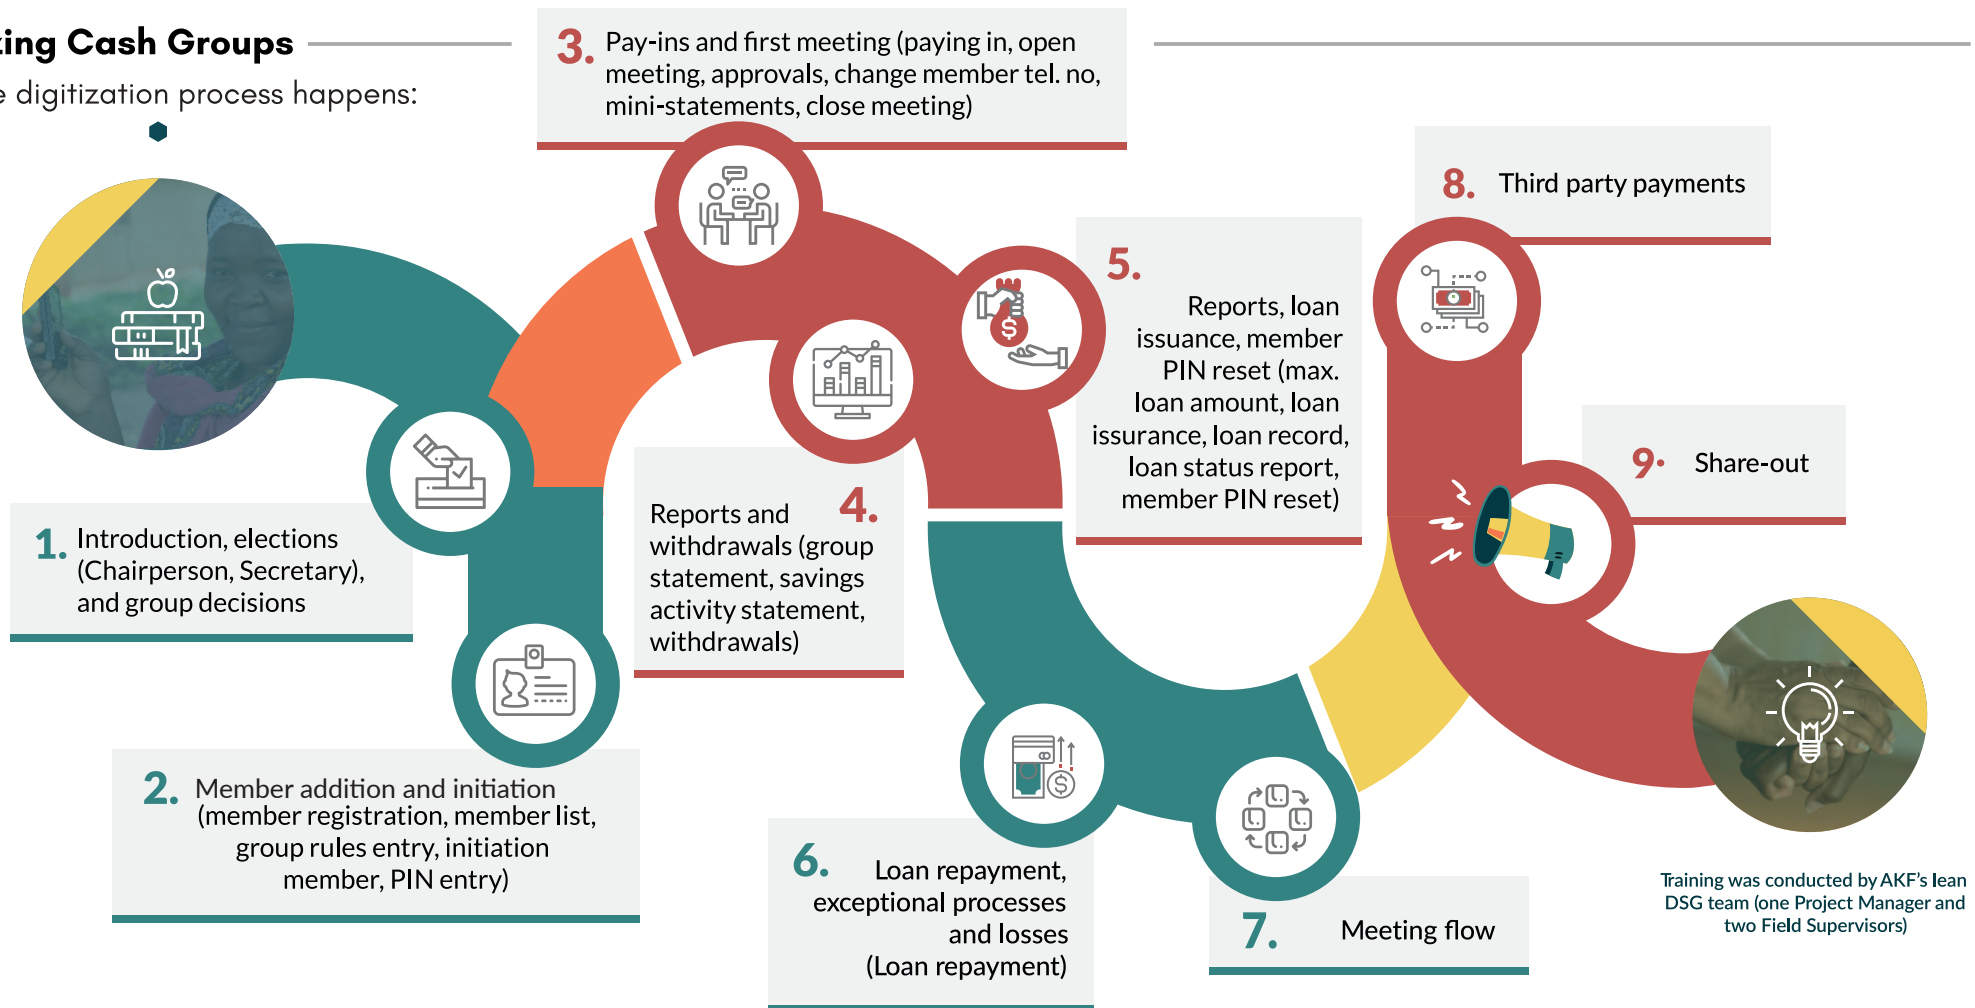

4. Limited Savings Amounts

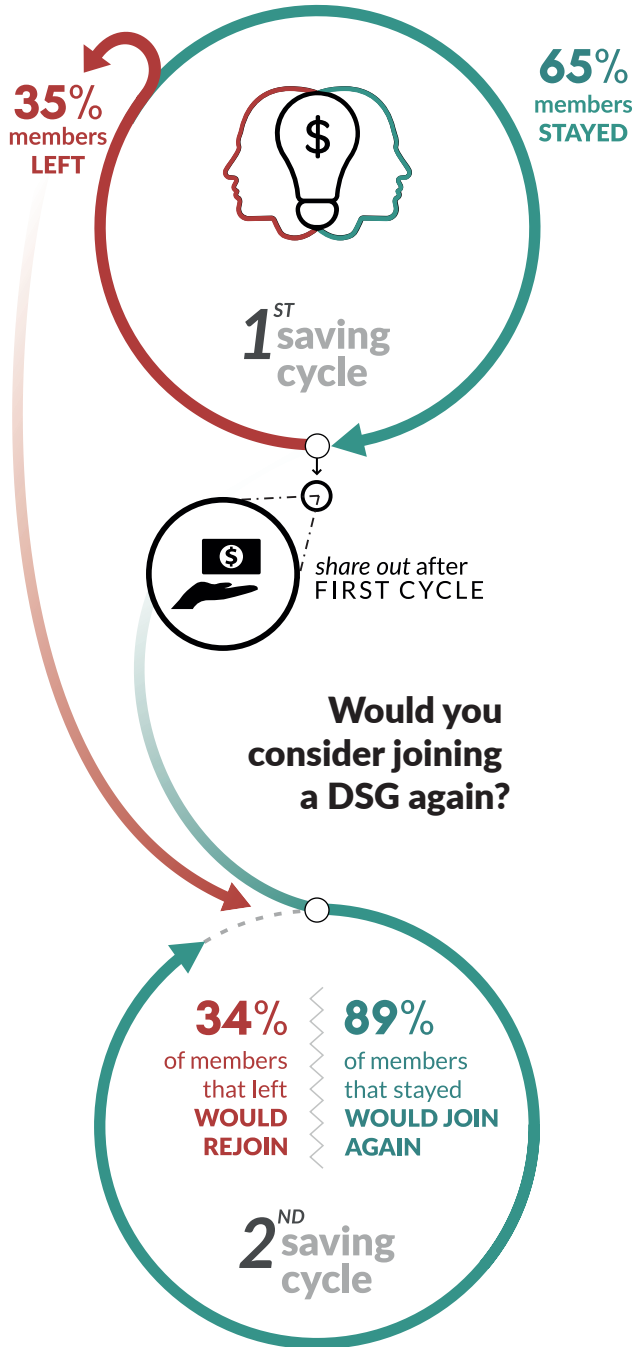

5. Safety of Cash

## Digitizing Cash Groups

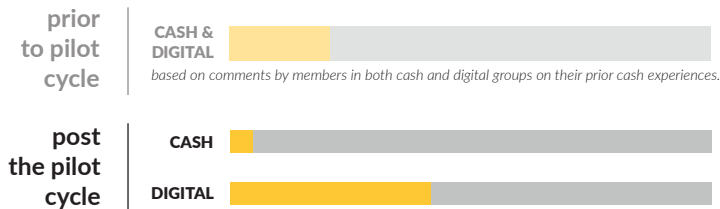

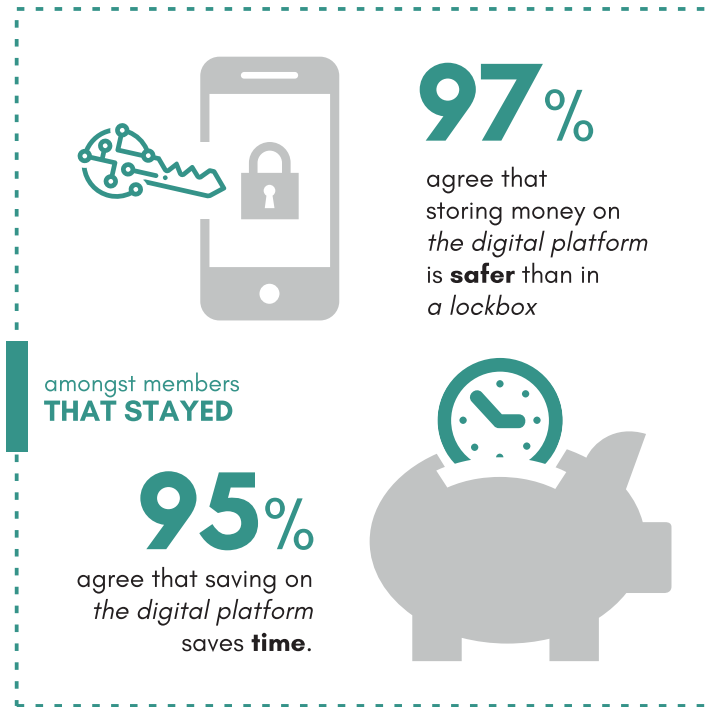

How the digitization process happens:

theme **1** | **ADOPTION**

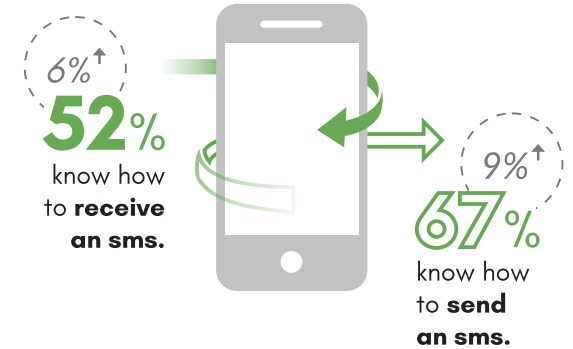

theme **2** | **EFFECT OF DIGITIZATION**

Digitization **reduced** feelings of shame, worry, guilt and stress, created by the thought of missing meetings or contributions.

theme **3** | **IMPACT ON DIGITAL KNOWLEDGE**

**increased level & ease of use of mobile phones**

**increased ease of use of mobile money**
