

## Paymenow offers affordable access to already earned wages for blue collar workers in South Africa

### Key Indicators

### Key metrics

### Top outcomes reported

“

“I no longer go to loan shark that always charge extremely high interest rates. I can now access the money on the app any time when I need it.”

### Voices that stood out

#### Very much improved

“I had moments where I was stranded and would not know where to get money, but Paymenow has really stepped in to my rescue.”

#### Slightly improved

“I am no longer a burden on other people now, I don't have to go around asking people for money when I need it.”

Since using Paymenow, customers are less likely to borrow from a bank and more likely to depend on their savings, salary and Paymenow in case of an emergency

“

“Whenever I do not have money for transport fare or for groceries then I am able to turn to the app.”

“

“It has been helpful to me when I need to something before month end. I am able to withdraw money from my salary to get things like food or transport money.”
